

PHYSICAL EDUCATION AND SPORT GRANT

Background

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport, to be used to improve the quality and breadth of PE and sport provision. Funding has been allocated to all maintained and state-funded schools with primary phase pupils from 1 September 2013. A typical primary school received approximately £9,250 annually in the academic years 2013/14 and 2014/15. Funding is continuing for 2015/16.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Our school

In 2014/15 our school received: £8,575

This is how we used the funding:

- Buying into the Derby Schools Sport partnership to provide expert advice and training opportunities for staff
- Employing expert advice to evaluate the school's current strengths and weaknesses in PE and sport, and develop assessment strategies
- For the PE co-ordinator to achieve a qualification: Primary School PE Specialism and Subject Leadership (level 5)
- For a named teaching assistant to achieve a level 3 qualification: Supporting the delivery of PE and school sport
- Half-day INSET for all teaching staff to enable them to implement and deliver the new Games resource
- Funding the visit of an Olympic Athlete, which included circuit-training and an inspirational talk for all infant children
- Providing cover staff to release teachers and support staff for professional development in PE and sport
- Providing places for pupils in lunchtime and after-school sport clubs, employing a local coach for "Playball"; and employing staff and a coach from the partner junior school, in the spring term for football and participating in a football festival
- Increasing links with the PE teacher in the partner junior school to help improve our PE and sports provision
- Providing transport to enable participation in festivals, "Celebration of Dance", "Mini-Movers" and Fundamentals
- Participation in "Yoga-Bugs", a 30 week programme for children in FS2, focussing on core-stability and well-being. This includes staff-training, as part of the programme
- Purchasing additional staff resources

The impact of additional funding on improving the quality and breadth of PE and sport provision:

- Increased participation in a range of PE and Sports activities as below:
- **PLAYBALL:** **AUTUMN TERM** - 15 children from Aardvarks (8 boys, 7 girls)
SPRING TERM- 18 children from the Koalas (8 boys, 10 girls)
SUMMER TERM- 15 children
- **DANCE CLUB:** **SPRING TERM** 16 children (8 boys, 8 girls)
SUMMER TERM 15 Year 2 children (12 girls 3 boys)
- **FOOTBALL CLUB:** **SUMMER TERM** 14 year 2 children (8 boys 6 girls)
- **FESTIVALS THE CHILDREN HAVE TAKEN PART IN:**
- **March 2015:** Celebration of Dance Festival
16 Year 2 children (8 boys, 8 girls)
- **May 2015:** Fundamentals Festival
14 Year 1 children (6 boys 8 girls)
- **June 2015:** Mini Movers Festival
15 reception children (9 boys 6 girls)
- **July 2015:** Football Festival
8 year 2 children (5 boys 3 girls)

“The primary school physical education and sport premium is used effectively. The school works as part of a local sports partnership. This is effective and has had a positive impact by increasing the range of activities provided. There are now more opportunities for the children to take part in competitive sports appropriate to their age.” Ofsted, April 2015.

In 2015/16 our school will receive: £8,575

This is how we plan to use the funding:

- Buying into the Derby Schools Sport partnership to provide expert advice and training opportunities for staff
- Employing expert advice to evaluate the school’s current strengths and weaknesses in PE and sport, and continuing with the development of assessment strategies
- For a second named teaching assistant to achieve a level 3 qualification: Supporting the delivery of PE and school sport
- Providing equipment for FS2 children for outdoor learning and additional equipment for gymnastics

- Participation in the range of festivals for FS2 and KS1 children throughout the year, including the provision of transport to enable us to access the various venues around the city
- Providing places for pupils in lunchtime and after-school sport clubs, employing a local coach for “Playball”; and employing staff and a coach from the partner junior school, in the spring term for football
- Provide training for midday supervisors so that lunchtimes can be more active
- Yoga-Bugs is continuing for a final term with children in Y1
- INSET during the spring term with regard to assessing PE
- Providing cover staff to release teachers and support staff for professional development in PE and sport
- For summer 2016, to focus on the introduction of athletics into KS1
